

# Collect.

Ronald McDonald House Charities® (RMHC®) is a partner charity in Coinstar's *Coins that Count* program.

**Collect** your coins to help RMHC keep families together and give them support and resources when they need it most.

# Give.

When you have filled your container with pennies, nickels, dimes and quarters, take them to your nearest participating Coinstar machine, located in most major grocery stores around the country and **give** them to RMHC. It's easy! Drop your coins into the machine; then select 'Donate to RMHC.'

# Hope.

Along with the tax receipt that you will get from Coinstar, you can rest assured that your coin contribution will provide comfort, support, and above all **hope** to families staying at Ronald McDonald Houses and Ronald McDonald Family Rooms and receiving care through Ronald McDonald Care Mobiles around the world.
